Ravi Kumar

After due deliberation, Committee decided to defer the case and directed the representatives of the unit to submit following documents for further consideration of their proposal:-

- 1) Copy of agreement with Rajasthan Discom Authority and JVNL Limited regarding transfer and utilization of solar electricity generated.
- 2) Revised ANF 6A, clearly mentioning solar electricity as goods instead of Service duly indicating its ITC (HS) Code;
- 3) Copy of Registered sale deed.

6.02 (2019) (1) विदेशी मुद्रा बैलेंस शीट में परिवर्तन एवं (2) स्वीकृति-पत्र में नए मदों को शामिल करने के लिए मै० होलिस्टर मेडिकल इंडिया प्राइवेट लिमिटेड का प्रस्ताव – एतद्वारा.

It was informed to the Committee that M/s Hollister Medical India Pvt. Ltd. is an existing 100%EOU having LOP dated 19.06.2008 and DCP dated 13.01.2010. The LOP is for manufacturing and export of medical products (including component/parts thereof) falling under the broad category of “Contenance Care Products” and “Ostomy Care Products”.

2. It was also informed that the unit’s current block is w.e.f. 13.01.2015 to 12.01.2020 and during current block unit’s NFE is positive upto 31.03.2019.

3. It was also informed that the unit’s proposal is for (i) Revision of foreign exchange balance sheet in following manner:-

S.No.	Particulars	Already approved projections	Revised Projections
1.	FOB value of export	57445.57	55827.21
2.	Foreign Exchange outgo		
	(i) Import of machinery	3402.12	3565.78
	(ii) Import of raw materials and components	25007.62	24979.08
	(iii) Import of spares and consumables	Nil	Nil
	(iv) Training of Indian technicians aboard and foreign travel	Nil	Nil
	(v) Payment to foreign technicians	2361.88	2349.49
	(vi) Any other payment	Nil	Nil
	Total	30771.62	30894.35
3.	NFE Status	26673.96	24932.87

and (ii) Broad banding of LOP to include following item:-

S.No.	Name of the Product	Expected Annual production capacity	ITC (HS)
1.	Night Drainage Collector	10 lakh units	90183910

4. The Committee was informed that since the power for enhancement of limit of imported capital goods on the ground other than currency fluctuations is with Approval Committee, the proposal has been placed before the UAC.

5. Unit's representative Shri Ghanshyam Sharma, Finance Analyst attended the meeting. He informed that currently they are engaged in manufacturing and exports of medical products (including component/parts thereof) falling under the broad category of "Continence Care Products" and "Ostomy Care Products". Now in view of increased demand in US and European market, they want to broad band the LOP by including one more Continence Care Product i.e. 'Night Drainage Collector'. He informed that at present about 350 people are working in their unit. Further, he also informed that their expected export turnover will be around Rs.200.00 crore per annum in near future as their company is planning to expand since demands of the product in US and European market is growing.

6. He further stated that they are regularly assessing the foreign exchange projections and that is why they have requested for revision of projections including enhancement in projections of imported capital goods.

The Committee after due deliberations, approved the proposal for revision in foreign exchange balance sheet including enhancement of imported capital goods from Rs.3402.12 lakhs to Rs.3565.78 lakhs and broad banding of LOP by inclusion of Night Drainage Collector with annual capacity of 10 lakh pieces per annum.

अध्यक्ष महोदय को धन्यवाद ज्ञापन के साथ बैठक समाप्त हुई.
