2.2 It was informed that keeping in view the submission of the unit that it will submit projection for manufacturing unit within one month and dismal performance of the unit during previous block of five years, low export projections for next five years, the Approval Committee in its meeting held on 07/01/2019 had decided to renew the LOA for a period of three months i.e. upto 12/04/2019 in terms of Rule 19(6A)|3) of SEZ (Amendment) Rules, 2018. The Approval Committee directed the unit to submit projections for manufacturing activities within one month as promised by Shri Pathak in Approval Committee meeting. The committee further clarified that the unit has been allotted 3 plots having an area of 1815 sqm. Exports done by both the units in the last several years are very small for a plot size of 1815 sqm. Even current projections of exports amounting to Rs.470 lakhs and employment projections of 5 persons only in next 5 years block against trading activity is also not proportionate to the size of plot. The committee clarified that once projections for manufacturing activities are received, the same would be placed before the Approval Committee for appropriate decision/consideration on the request of the unit for further extension, keeping in view the projections of exports/employment and size of plot of 1815 sqm.

2.3 Shri Sumit Nanda and Shri Vijay Prakash Pathak, directors appeared before the Approval Committee. Shri Nanda informed that their immediate future plan is to procure organic and ayurvedic products in bulk, repack them into smaller packs and export it from the unit. He further stated that their major customer i.e. ‘Reverse Age
Health Services Pte Ltd., has opened 5 retail stores in Singapore in the name of Ega Juice Clinic and the company has plan to open 100 similar retail stores in other countries like USA, Hong Kong and UK in next five years. Shri Nanda also informed that they are also planning to expand their online business and to use their space in NSEZ as a warehouse from where they can supply the material directly to the customers to all over world. They have similar orders coming from USA, Australia, France, Germany and Switzerland. Shri Nanda stated that for this purpose, they would require additional storage area to stock all the raw materials, packing materials and finished goods.

2.4 Shri Nanda further informed that they have two LOAs i.e. (i) Unit-I – LOA No. 13/02/95-Proj dated 19/12/1995 (valid till 12/04/2019) for manufacturing & trading activity and (ii) Unit-II- LOA No. 04/02/2004-Proj/6523 dated 24/08/2004 (valid till 31/03/2020) for manufacturing activity. In view of their future plans from the said premises at Plot No. 155-157, NSEZ, he requested to grant them approval for merger of Unit-2 in Unit-1 in terms of Rule 19(2) proviso 4 of SEZ Rules, 2006.

2.5 Shri Nanda also requested to include additional trading items viz Amukkura Chooram (12119049), Meera Herbal Hair Wash Powder (30049011), Cinnamon Powder (09062000), Dhanvantaram Tab (30039011), Green Cardamom Seeds Powder/Mixed Spices (09109100), Chukku Kappi (09109020), Vata, Pitta, Kapha & Turmeric Soap(34011190), Glass Bottles (70109000), Cardboard Box (48191010), Stickers (49089000), Plastic bottles for packaging(39241090), Printed Labels (58071020), Curcuma Longa Jelly (30049079) in their LOA.

2.6 Shri Nanda further stated that they were under impression that such an activity of repacking from bulk to smaller packs would amount to manufacture and that was the reason, they intimated UAC that they would submit project plan for manufacturing from the unit. On re-examination of definition of manufacture in Section 2(r) of the SEZ Act, 2005, it came to their knowledge that this activity is not a manufacturing activity but is only a trading activity. Shri Nanda regretted for their misunderstanding and requested to allow only trading activities.

2.7 Shri Nanda further informed that for the purpose of trading and warehousing, they are planning to utilize their 3 plots in NSEZ in the following manner:

(i) Plot No. 155:- they are planning to use most of the area for storage of raw material, packaging material and finished stock, a quality control room and the rest...
of the area for office and admin work.

(ii) Plot No. 156:- that they are planning to use this area by installing packaging machines (i.e. granule packing machines and powder packing machines) worth Rs. 2.5 Crores for customized packing of the products from bulk to smaller packs as per customer’s demand order.

(iii) Plot No. 157:- this area will be used by setting up 2 cold storage rooms with a capacity of 250MT each; material receiving dock; grading, sorting and packing hall and a packing material store room.

2.8 The Approval Committee, after due deliberations, agreed with the request of representatives and renewed the validity of LOA for remaining period of current block of five years i.e. upto 14/06/2021 for trading activities. The Approval Committee also concluded that as on date both the units have achieved positive NFE. Thereafter, Approval Committee approved the proposal of M/s.
