## NOIDA SPECIAL ECONOMIC ZONE

### Minutes of 3<sup>rd</sup> Meeting (2011 Series) of Unit Approval Committee for EOU Scheme held under the Chairmanship of Shri. S.C. Panda, Development Commissioner, NSEZ, Noida on 12.07.2011 at 11.45 AM at NSEZ, Noida.

3<sup>rd</sup> meeting (2011 Series) of Unit Approval Committee for EOU scheme (UAC) was held on 12.07.2011 under the Chairmanship of Shri S.C. Panda, Development Commissioner, Noida SEZ. List of participants is enclosed at Annexure I. The Chairman welcomed all participants of the UAC and thereafter agenda was taken up for discussion.

#### **3.1 Confirmation of minutes of 2<sup>nd</sup> meeting (2011 series) of the UAC held on 28.04.2011.**

The Committee ratified the minutes of the 2<sup>nd</sup> UAC meeting (2011 Series).

#### **3.1 Proposal for setting up 100%EOU for manufacture & export of Handloom Rugs, Mats, Carpets & Other Floor Covers, Wall Hangings & Home Furnishing, Handicraft Items by M/s. Craftex India at VPO, Kablana Bahadurgarh-Jhajjar Road, Jhajjar, Distt. Haryana**

The Committee deliberated the proposal. The Committee noted that this proposal was deferred in the last UAC meeting since no representative from the applicant unit appeared for briefing and personal interview regarding the project. Again no representative from the unit attended this meeting. The Committee viewed that the applicant may not be interested in setting up the EOU and hence rejected the proposal.

#### **3.2 Proposal for setting up 100%EOU for manufacture & export of PU Foam Moulds, Thermoforming Moulds & NVH Moulds by M/s. RGP Moulds Pvt. Ltd., Vinola Industrial Area, Bhora Kalan, Tehsil Farukh Nagar, Distt. Gurgaon, Haryana**

The Committee deliberated the proposal. The Committee noted that no representative from the applicant unit appeared for briefing and personal interview regarding the project and thus deferred the proposal.

#### **3.3 Proposal for Setting up 100%EOU for processing of different type of garments like printing, branding, embossing etc. and export thereof by M/s. Variety Polyester Ltd., Khasra No. 28/8, Madanpur Dabas (V), Ranikhera (PO), Delhi-110081**

The Committee deliberated the proposal. The representative of the unit informed the Committee that they have large spinning mill in Andhra Pradesh and the proposed unit is for processing of textile and garment. They have wide experience and market presence in such goods. A report from jurisdictional C.Ex. Authorities in Andhra Pradesh is required to be obtained in this regard.

A doubt has been expressed regarding establishment of industrial unit in the Ranikhera area. Jurisdictional Dy. Commissioner of C.Ex. has submitted an inspection report and informed that few units, registered with Central Excise, are operating in the area.

However, there is no EOU in the said area. For establishing an EOU at Lal Dora in Ranikhera area, they have written to the SDM for confirmation, as to whether or not, EOU can be set up in the area. Since the confirmation from the SDM is awaited, the Committee deferred the proposal.

### **Technical Proposals**

**3.4 Proposal for Broad-banding for manufacture of new products, namely, "Solid State Drives" and "Smart Card based USB Devices" in the existing LOP by M/s. Moser Baer India Ltd., A-164, Sector-80, Phase-II, Noida (UP)**

The Committee deliberated the proposal and heard the representatives of the unit. The Committee noted that the unit is already manufacturing magnetic Solid State Drives and USB Devices. The proposed items are advance versions of these two goods. New USB drive proposed with the feature of password locking and the Solid State Drive proposed is based on Nand Technology. Taking the above into account, the Committee approved the broad-banding of the proposed two items.

**3.5 Proposal for Broad-banding for manufacture of new item, namely "Fabricated Steel Panels" in the existing LOP issued for manufactured and export of military stores and also to permit raw material, namely, "Non-Woven Fabrics-34" for approved items of manufacture by M/s. Indian Armour Systems Pvt. Ltd., Village Dudhola, P.O. Bhagola, Tehsil Palwal, Distt. Faridabad, Haryana**

The Committee deliberated the proposal and heard the representative of the unit. The representative has stated that they have received enquiries for manufacture of fabricated steel panel, which is different from the items being manufactured by them. This new item has no linkage with the existing items of manufacture. Further, the representative stated that they intend to import raw material "Non-Woven Fabrics" which would be used for existing items of manufacture.

The Committee after deliberation opined that the new item namely, Fabricated Steel panel has no forward and backward linkage with the existing items of manufacture and hence cannot be included in the existing LOP. However, unit may obtain a separate new LOP for this item.

The Committee allowed raw material "Non-Woven Fabric" for used in existing items of manufacture.

The meeting ended with the vote of thanks to the chair.

(S.C. Panda)  
Development Commissioner
