12. M/s. Moser Baer Solar Ltd.(Unit-II), a unit in Non-Conventional Energy sector specific SEZ of M/s. Moser Baer India Ltd. at 66B, Udyog Vihar, Greater Noida (U.P.) – Monitoring of performance.

It was brought to the notice of the Approval Committee that the Board of Approval in its meeting held on 18.09.2017 had approved the request of the unit for extension of first block of five years effective from 09.09.2011 for two year beyond 08.09.2016 i.e. up to 08.09.2018 in terms of Rule 72 of SEZ Rules, 2006.

It was informed that as per APRs filed, year-wise performance of unit is as under:-

(Rs. In lakhs)

Year	FOB Value of Export	Net foreign exchange earnings	DTA Sale	Pending Foreign Exchange
2011-12	8956.75	(-)6315.77	1496.27	0.00
2012-13	13932.06	1149.54	2117.09	0.00
2013-14	9500.12	(-)1359.77	1792.00	0.00
2014-15	8451.43	(-)2559.52	638.45	0.00
2015-16	5415.58	(-)533.52	9.46	812.86

2016-17	6575.76	1645.72	1.12	0.00
Total:	**52831.70**	**(-)7973.32**	**6054.39**	

It was informed that the unit vide its letter dated 24.08.2018 had submitted request for extension of 1st block period for further period of three years under Rule 72 of SEZ Rules, 2006. It was informed that the unit had stated that now they hope to turn around because of following two developments:-

a) **Proceedings under Insolvency and Bankruptcy Code (IBC):** Unit has mentioned that they have got admitted into National Company Law Tribunal under Section 7 of Insolvency & Bankruptcy Code, 2016 on 14.11.2017. Unit has enclosed copy of Order dated 14.11.2017 passed by Hon'ble NCLT. The unit has stated that even while they are going through the IBC Proceedings, they have been able to get reasonable business – despite adverse conditions in the Solar industry because of continued onslaught with dumping by the Chinese and keep their factory running.

   Further the unit has informed that Hon'ble NCLT has granted time till 03.10.2018 for completing the Resolution process. Post Resolution, with cash infusion in the business, the operations will surely bounce back.

b) **Safeguard duty:** Unit has informed that on 30.07.2018, Government of India was issued Notification No. 1/2018-Customs dated 30.07.2018 announcing a modest 25% Safeguard duty in the first year. However, immediately after the issuance of this notification, the developers have approached the Courts resulting that this notification has been stayed by the Hon'ble High Court of Orissa. Absence of any tariff barrier continues to plague the entire solar industry in India. The unit has stated that they are very positive to its turned round to post positive NFE soon by 2019 fiscal.

It was also informed that unit had further informed that as of now foreign exchange realization amounting to EURO 5030 and USD 4244 is pending for which the company has already initiated the write off process with the concerned AD in terms of provision of RBI Circular No. 88 and write off certificate is yet to be received by the company. It was further informed that against the earlier decision given by the UAC on 02.12.2016 the unit had informed to have deposited Rs. 30762/- as applicable duty on input corresponding to non-realized amount vide Challan No. 04/2017-18 deposited on 12.01.2018.

Mr. Ganesh B, Sr. VP- Business Development appeared before the Approval Committee on behalf of the unit and explained the proposal in detail.

The Approval Committee observed that during last block of five years i.e. from 09.09.2011 to 08.09.2016 the unit achieved negative NFE. The unit had made request for extension in 1st block of 5 years which was forwarded to the BoA for consideration. The Board of Approval in its meeting held on 18.09.2017 had approved the request of the unit for extension of 1st block of five years effective from 09.09.2011 for two years beyond 08.09.2016 i.e. up to 08.09.2018. The unit has submitted request for extension in 1st block of 5 years for three more year i.e. up to 08.09.2021 under Rule 72 of the SEZ Rule, 2006.

The Approval Committee further observed that Rule 72(1) of SEZ Rules, 2006 *says "A unit which has been declared sick by the appropriate authority shall submit a revival package through Development Commissioner to Board for consideration and the Board shall consider the extension in the period for fulfillment of Positive Net Foreign Exchange for a further period up to a maximum of five years at the prevalent norms*". The unit submitted that National Company Law Tribunal have admitted the company under Section 7 of Insolvency & Bankruptcy Code, 2016 on 14.11.2017..

After due deliberations, the Approval Committee decided as follows:

(i) Extension of first block period for NFE calculation under Rule 72:- Since NFE of the unit was (-)ve during last block of five years. Keeping in view the conditions of this sector, BoA granted two year extension in the block till 08.09.2018 in its meeting held on 18.09.2017 for monitoring of NFE. The unit explained that they have got admitted into NCLT under Section 7 of Insolvency and Bankruptcy Code (IBC), 2016. Keeping in view the circumstances of the unit, problem faced by the unit and admission of the unit into IBC, Approval Committee decided to recommend the request of the unit for further extension of the last block year by two more year i.e. upto 08.09.2020 for monitoring of NFE, to BoA for their consideration in terms of Rule 72 of SEZ Rules, 2006.

(ii) Extension of LOA of the unit:- The Approval Committee decided to extend the LOA of the unit for the period up to 08.09.2021.

The Approval Committee also directed the representative of the unit to submit a brief write-up on the matter.

The meeting ended with a vote of thanks to the Chair.
