Subject: Policy on Units in SEZs carrying on recycling of plastic scrap or waste in SEZs.

Sir/Madam,

I am directed to refer to this Department's Communication No. C.6/10/2009-SEZ dated 17.09.2013 on the subject cited above vide which Policy guidelines on the subject were issued. This Department has been receiving several representations from the existing SEZ Units engaged in recycling of plastic scrap or waste in SEZs that the physical export obligations laid down in para 3 (x) of the communication dated 17.9.2013 are unachievable. On examination of the matter, it has been decided to **replace with immediate effect, para 3 (x)** of the aforesaid communication as under:

*"To ensure that plastic reprocessing units in SEZ fulfill their export obligations, in addition to meeting their NFE obligation, all such units would be required to **export not less than 35% of the total annual turnover.**"*

2. **Rest of the conditions laid down in the communication dated 17.9.2013 remain unchanged.**
3. **This has approval of Hon'ble Minister for Commerce & Industry.**

Yours faithfully,

T. V. Ravi
